

## MO Hopper 1210 1200x1000x1210 - 2R 2F BD

Item: IBC2550880

IBC Irish Box Company agnum Optimum Optishute® and Magnum Optimum Hopper® are the ideal foldable large container solution for dispensing small parts. The Magnum Optimum Optishute® features a special sliding door that enables the regulated flow of all types of caps and closures. The Magnum Optimum Hopper® features a special hopper base which eliminates packaging waste and removes the need for liners, a separate pallet base or cardboard frames. The wide opening in the hopper base (350x220mm for 1210 and 286x186mm for 1208 versions) enables 100% control on the flow of all types of parts - including caps, closures and accessories - meaning that they can be unloaded in evenly dispensed volumes and fully controlled quantities.
